DESCRIPTIVE ITINERARY

>DAY 1 - In search of the giant tortoise

Welcome to the Galapagos! An English-speaking naturalist guide meets you at the VIP lounge at Baltra Airport to escort you on your excursion of the highlands of Santa Cruz Island. Enjoy a delicious, locally-sourced lunch at a farm in the western hills. Take in the area's natural beauty, pit craters, lava tunnels, and learn more about the Scalesia and Guayabillo forests. At the Tortoise Reserve, share some time in the giant tortoises' natural habitat, surrounded by the abundant bird life of the area. End this day at Galapagos Safari Camp with a sunset cocktail followed by dinner.

>DAYS 2 & 3 - Explore neighboring islands

Early morning finds you on a motor vessel to one of the neighboring islands: North Seymour, Bartolomé, Plazas, Santa Fé, Floreana or Isabela. Each island is an endemic treasure to explore and enjoy. The Galapagos Marine Reserve is the second largest marine reserve in the world, and snorkeling off the boat is highly recommended. Destinations will be given when we have your dates.

› DAY 4 - Experience the east

A morning drive takes you to the eastern part of the island. At 490m above sea level, Cerro

Mesa Reserve offers spectacular views of the largest crater on Santa Cruz Island, exotic plants, and seven unique subspecies of finch and the elusive vermillion flycatcher.

After lunch explore Garrapatero Beach, with stunning contrasts of mangroves, black lava, white sand, and turquoise water — including a flamingo lagoon. Kayaking and mountain biking are optional.

› DAY 5 - Sunrise walk and departure

Enjoy the serenity that Galapagos Safari Camp has to offer. Relax, walk, or enjoy the sunrise from our observatory before departure to your next destination. (Here's where you'll wish you had extended your journey!).
