

What is SYC?

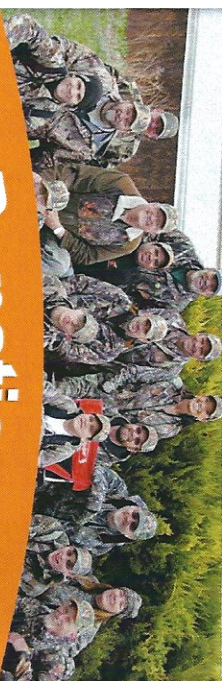

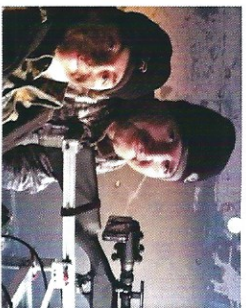

SYC of Colorado is a Faith based ministry that allows youth with special challenges to experience the thrill of hunting. Often times, these youth and their families are unsure of how to safely participate in our hunting heritage and the part they can play in helping manage our wildlife resources. We hold four major events per year – a spring turkey hunt, a summer fundraiser, a fall deer hunt and a fall elk hunt of a lifetime for one lucky hunter.

The Volunteers

The volunteers of SYC come alongside to provide the challenged youth with the training and specialized equipment necessary for them to experience hunting in God's great outdoors. Using His unselfish example, our volunteers share their passion for the outdoors. Throughout the events, the love of God is reflected upon through testimonials and sharing with volunteers, the youth and their families.

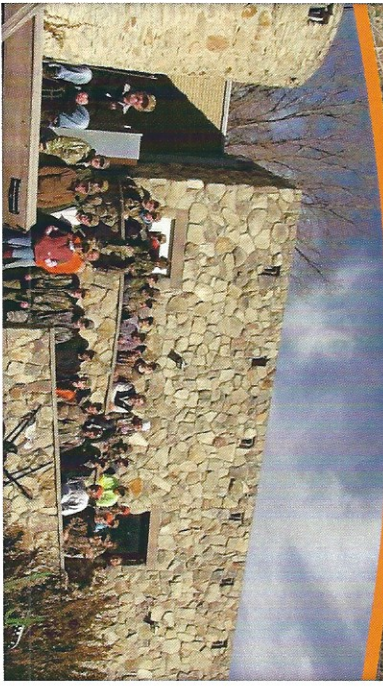

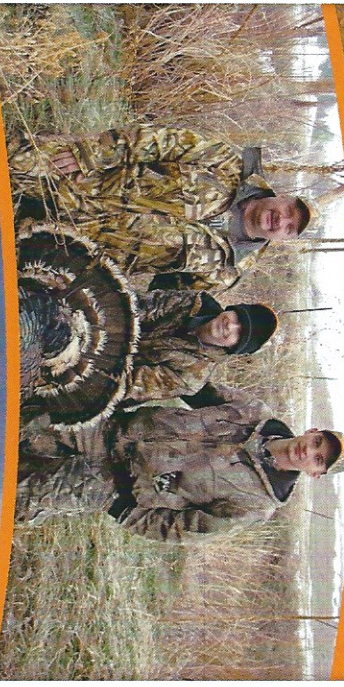

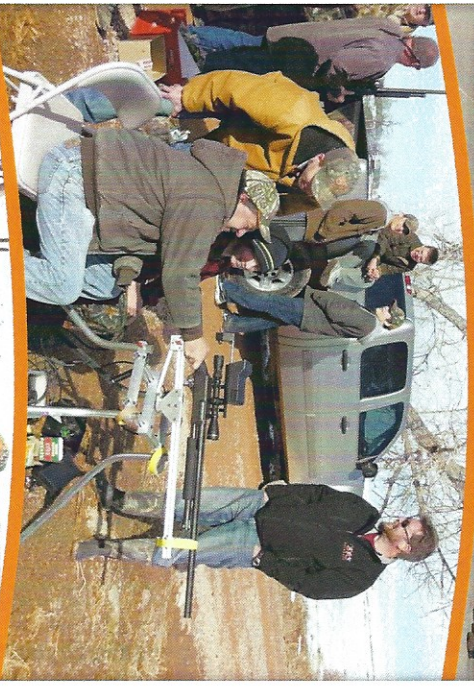

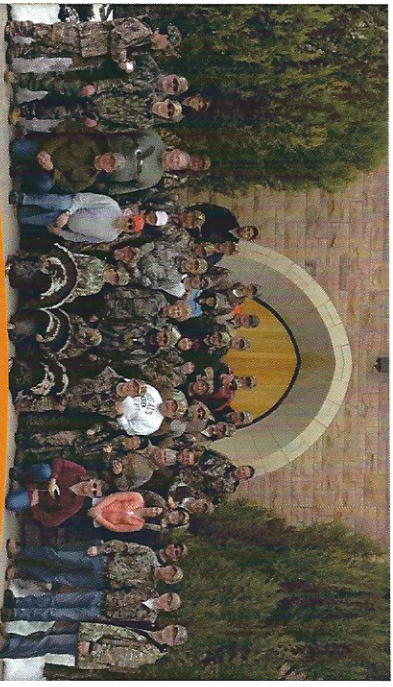

We are always looking for volunteers. Opportunities include joining us on the hunt, cooking during the hunts, fundraising and coordinating events.

Donations

We need your help. Special Youth Challenge of Colorado is a non-profit ministry. Your donation enables SYC to provide these hunts at no cost to the youth and their families.

We are very fortunate to have landowners that donate their property for our hunts! The direct expenses that we incur include food, lodging, clothing, equipment, license fees, etc. The average cost per hunter is in the \$700.00 range for each hunt.
