

5 day Summer Horse-pack/Fishing Trip in the Bob Marshall Wilderness Complex

Swan Mountain Outfitters pleased to offer a 5-day summer horse-pack and fishing trip into the most spectacular natural wilderness settings imaginable, the Bob Marshall Wilderness Complex.

We operate out of "base camps". That is, though we venture out in a different direction from camp each day, we return to the same location each evening.

The advantages of a base camp include dry, warm accommodations and a good night's sleep on soft beds after a day full of activity. We pride ourselves in providing top quality meals and "rugged luxury" amenities in such a true backcountry setting.

This trip is great for families, groups or friends that like to vacation together.

You will experience outdoor living at its most comfortable while exploring areas unaffected by man. Our summer pack trip season runs every week beginning in the first week of July through September 11. The standard 5-day trip begins on a Monday and ends on a Friday. Our camp is an authentic outfitter camp with wall tents, etc. Trips include food and lodging at camp, guides, fishing gear and of course horses and tack. All you need to bring is your sleeping bag, clothes and a fishing license.

This package is for one person. The successful bidder can opt to upgrade, take additional guests, switch for another trip or hunt, etc. The donated trip does not include the transportation/lodging/meals prior to or after the trip. Prices for additional participants, etc, are all negotiable. **Value: \$1,875**
